1. Quit Like a Millionaire: No Gimmicks, Luck, or Trust Fund Required (Finance, \$1.99)

1. By Kristy Shen & Bryce Leung.
2. 4.7/5 stars with 524 reviews
3. Kristy Shen retired with a million dollars at the age of thirty-one, and she did it without hitting a home run on the stock market, starting the next Snapchat in her garage, or investing in hot real estate. Learn how to cut down on spending without decreasing your quality of life, build a million-dollar portfolio, fortify your investments to survive bear markets and black-swan events, and use the 4 percent rule and the Yield Shield—so you can quit the rat race forever. Not everyone can become an entrepreneur or a real estate baron; the rest of us need Shen's mathematically proven approach to retire decades before sixty-five.
